#### UTILITY DISTRICT WATER METER BOARD WORKSHOP

*South Lake Tahoe* - The South Tahoe Public Utility District's (District) Board of Directors will meet on Thursday, January 21, 2010 from 11:00 a.m. until 2:00 p.m. to discuss policy issues related to state mandated water meter law. The meeting will be held at the District's Board Meeting Room located at 1275 Meadow Crest Drive. Issues to be discussed will include the water meter installation program, water meters for new construction, water conservation legislated mandates, and a timeline for a future metered rate study.

While a quorum of the Board may be attending the workshop, there will be no action taking place on their behalf. Public participation is encouraged. The meeting location is accessible to individuals with disabilities. Every reasonable effort will be made to accommodate participation of the disabled in all District public meetings. If particular accommodations for the disabled are required (i.e. hearing aids, or other disability-related aids), please contact the Clerk of the Board at 530.544.6474, extension 6203, at least 24 hours in advance of the meeting.

Please note: This meeting will include a working lunch for Board members and designated staff. Otherwise, lunch will be the responsibility of the individual. The District looks forward to your participation.
